

Davie County Schools-Full-Time Position

School psychologists in Davie County have the opportunity to work with a variety of age levels varying from preschool to high school. Davie County currently has 3 school psychologists and each individual serves between 3-4 schools. School psychologists actively participate in school problem solving teams with designing and monitoring interventions and interpreting data, assist with training and implementing MTSS (Multi-Tiered System of Support), administer psychoeducational assessments, participate in evaluation results meetings, develop and provide professional development, and consult with parents and teachers. Our small group of school psychologists meets regularly to problem solve and collaborate, and we would love for you to join our team! Davie County is located in the Piedmont Triad, just minutes west of Winston-Salem. Davie County School's twelve schools currently serve 6,200 students. In Davie County Schools we engage, equip, and empower students! Our vision is to be a safe, innovative learning environment where each individual is valued, respected and challenged; to have an engaging staff and community who work to ensure students learn, grow, create, and discover their talents through experiences that prepare them for success. In Davie County Schools we believe in and value: integrity, respect, dedication and commitment, relationships, and accountability.
